JUSTICE & GALBREATH'S COTTON PLANTER AND CULTIVATOR. THE Patent Right o

I this new invention is offered for sale by the in ventors. This Planter was invented by an old cotton planter, and we feel safe in saying it is the best imentever offered to the culars and works as follows: Harrows the bed o and covers them up; thus completing the whole of the work at one going over, and saves the labor of four men and three horses; and does the work much nicer than can be done in the usual way one-half the Seed tha

ould be used in the usual way of sowing. Remember seed is worth 30 cauts per bushel." This Machine is also an elegant Gultivator, after the Cotton is up. The front plow, hopper, and covering block may all be removed, and Scrapers screwed on. And then you scrape both sides of the row, and harrow the ground, and plow the cotton, if necessary, all at once thus saving the labor of at least 5 o 6 hands. The above Machines can be got up at a cost of not over eleven dollars, and can be sold in the South for \$ 5 or \$80 as fast as they could be manufactured or shipped there. Do not let anything prevent you making an investigation of our Cotton Planter. We challenge the world to show a better or more labor saving and useful implement for the purpose ecommended. The first objection is yet got to be set up against it.

A small model of our Planter may be seen at the S-wanes doube, College street, Nashville. We have set the Patent ight of this Machine at 2 k cents on the bale of cotton produced of any State. Reference being had to the Statistics We can be seen at the Sewance House at present. After a few days, address JUSTICE & GALBREATH,

CINCINNATI, OHIO. THE UNDERSIGNED, manufacturer and sole proprietor of the above brand of WHISKY would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in chasers of this ceiebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous initation, branded similar to his brand; it passes unfer the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohlo, and other names similar to S. N. Fike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would jurchase the genuine brand. I make this statement to not parties on their guard, as there are several statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that i contains a deadly poison: this fact alone impels me to caution the public, protect those who are liable to be secured, and prevent the evil results attening the use of this poisonous instalion. I siso hereby caution the counter-felters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pite's Magnolia Whisky is distilled from the best qualitaties of Rye and Corn, and is warranted free from any deleterious or obnoxious compount, it being a pure and healthy beverage. Many parties have recently commenced making a bran-of Whisky carrent Magnolia, but they are an immitation of my trade brand, so be careful as d get the only genuine dagnolia Whisky made in the United States, and distille only by me.
